To

The Commissioner
Nagar Division

Sir,

I have the honor to enclose in original an Urzee No 31 dated 30th April 1879 received from the Amildar of Hiriyur bringing to notice that 2 cots, 17 chairs 1 Brass Basin, 1 frying pan and 1 grid Iron are worn out and found unfit for further use in the Hiriyur Travellers' Bungalow. These furniture &c were supplied some time during the late Chitaldroog division.

2. As this is a 1st Class Bungalow and situated at the junction of the Bangalore Bellary and Chitaldroog Harihar Roads and constantly occupied by Travellers, I request that you will be pleased to obtain the Chief Commissioner's sanction to the supply of the marginally noted articles to complete the

* to be obliging[ly] returned when no longer required.

Letter No 139/10 dy 14th May 1879 from the Commr Nagar Division, forwarding Copy of a letter from the Deputy Commr Chitaldroog District, requesting to be supplied with the articles noted in the margin for the use of Hiriyur 1st Class Travellers' Bungalow.

* 8 Chairs.
2 Wooden Cots.
1 Brass Basin
1 Frying Pan
1 Iron-Iron

Order thereon:-

In the list of articles forwarded by the Commr of Nagar with his No 1136/121 dy 23d January 1878, shewing the requirements for Travellers' Bungalows to complete the standard fixed, the number of chairs in hand in the Hiriyur Bungalow was put down as 9 serviceable, and 1 unserviceable. As, according to the fixed Standard only 8 Chairs are allowed, the remainder, Viz. 1 (Serviceable Chair) was ordered to be transferred to other Bungalow,

No 1004/69 dy 20th June/79.

as

as per list sent with Pro-
=ceedings No. 4046/1838 dated 23rd
March 1878.

2. The Commr now rec-
=commends that the 17
unserviceable chairs may
be sold; but why the Deputy
Commr wants 8 chairs more
than the Complement sanc-
=tioned for the Bungalow
needs explanation.

3. It was also reported
that in the said Bungalow
out of 4 Cots (2 Wooden and
2 Iron) 3 were found unser-
=serviceable and 1 serviceable,
and application made for
only one which was according
sanctioned in Proceedings
No. 4046/1838 of 23rd March 1878.
Thus, there were 5 Cots alto-
=gether. If, as stated by the
Deputy Commissioner, only
2 Cots have become totally
unserviceable, there will
still be 3 Cots available
for use, and only one required
to complete the Standard,
while the application sub-
=mitted is for 2 more Cots.
This point requires explanation.

4. Of the 5 Brass basins in the Bungalow, 3 were reported serviceable; even if the 2 basins already reported as unserviceable were sold, there seems to be no reason why an additional Brass basin is to be purchased, since the No. of basins allowed for the Bungalow is only 3.

5. The Frying pans allowed for this Bungalow are 2. The Commd stated that the 2 Frying pans in the Bungalow were unserviceable and requested sanction to buy 2 new pans. This was sanctioned in the Proceedings above quoted. The Commd is requested to explain if out of the two purchased last year, one has become unserviceable and requires to be replaced by a new one.

6. - One new Gridiron was sanctioned to be purchased last year, the old one having been reported to be unserviceable. Only one

one article of this description is allowed in the standard fixed.

The Commd is requested to furnish explanation on the ~~foregoing~~ foreging points.

7. The Commd is also requested to report whether the unserviceable articles of all the 1st and 2nd Class Travellers' Bungalows have been sold.
